Erie’s Wild Rib Cook Off & Music Festival

. . . an evening event for the Ladies! !

Date: Thursday, May 30th, 2019

Location: Perry Square Park - VIP Tent

Set-up: 2:45 PM – 4:45 PM

Ladies Night Open: 5:00 PM to 9:00 PM

Deadline: April 20th, 2019 or as spaces fill

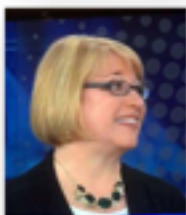

Featuring Women-Owned or Women-Focused Businesses

The ‘Rib Lady’ is excited to celebrate local Women-Owned and businesses that feature services and products purchased by women with the 3rd RIB FEST - “Ladies Night” VIP Networking and Sales Event at the Erie Rib Fest. This event will be open to the public.

Participants are accepted on a first come, first served basis with a diverse selection of businesses and services being accepted. As part of your registration, we ask that you have a raffle/drawing item, a promotional gift basket, or a gift certificate with a minimum \$15 value available for a drawing giveaway to a winning guest. Any promotions will be managed by each vendor allowing you an opportunity to grow your e-mail list and gather potential customers. The winners will be announced beginning at 8:40 PM. If the winner is not present, it is your responsibility to make arrangements with the winner. We would appreciate a photo of you with the winner and their winnings for a follow-up facebook post and posted on ErieRibFest.com. Please send your photos to: pemgmt@gmail.com. Please list the item(s) you will offer as a raffle and the value and send a .jpg photo by e-mail to pemgmt@gmail.com. We will share your business on Facebook posts and provide a List of Ladies Night Participants on www.ErieRibFest.com. *If weather permits*, we may have space outside of the tent.

Exact details for unloading will be forwarded to participants closer to the event date by e-mail. To ease the limited parking, perhaps someone could drop you off. Please be sure to bring a dolly to transport your display and products. Cover your table to the ground with a pressed table cover. Even though it remains light later in the day, it may be dark in the big top tent. Provide your own lighting fixtures and outdoor cords (Min.50 feet).
